Surfing

Adaaran Select Hudhuranfushi is one of the best surf holiday resorts in the Maldives with a perfect left breaking down one side of the island and six other world class waves just a short boat ride away. In recent years Hudhuranfushi has implemented a surf management plan. In order to enhance the surfing experience and improve service levels to the surfers, the resort will restrict the maximum surfers per day to 45. All surfers planning on surfing while at Hudhuranfushi between March and October need to be pre registered. Please note that any surfer arriving unregistered between the said periods will not be allowed to surf during the course of their stay.
If you want a change of scenery from the perfect lefts at Lohis, we run twice daily surf excursions to the other waves in the area in our large, safe, shaded Surf Dhonis. These trips are on a pay-as-you-go basis. We have a team of experienced surf guides on island to help you find the perfect wave.Please note that due to the nature of the waves in the Maldives all surfers should be of at least intermediate level of surfing ability, be capable swimmers, and of suitable fitness for an active holiday.
